

IELTS PREPARATION WORKSHOPS FOR PROSPECTIVE ENGLISH LANGUAGE TEACHERS

This workshop aims to assist students who need to satisfy the new EDB English language requirements in IELTS. It will cover all four skills with an emphasis on Writing and Speaking. All aspects of the tests will be covered but there will be a heightened focus on higher level language skills. It is also anticipated that more time will be allocated throughout the course to problems and concerns raised by participating students. (Note: If you join this ongoing workshop, you don't need to join the 1-hour workshop as the content is similar.)
