

Dr Christine Neumerski

University of Maryland
E. cneumers@umd.edu

Dr Christine M. Neumerski is a faculty member in the College of Education at the University of Maryland in College Park, MD, where she teaches in the EdD for School System Leadership. Her research focuses on improving instruction for vulnerable student populations; instructional leadership; research-practice partnerships; and the relationship between public policies and classroom practices. Most recently, she has studied systems transformation around deeper learning opportunities, particularly for neurodiverse children. Christine received her PhD in Educational Administration and Policy from the University of Michigan.
