

Language Studies

Course Code	: CLE1086	Course Title	: Foundation English 1A
Department	: CLE	Credit Points	: 3
Year-Semester(s)	: 1-1	Pre-requisite	: -----

Synopsis : Foundation is designed for pre-intermediate learners of English. It aims to help students acquire essential language skills and confidence in using English for communication within a range of formal and informal situations. Authentic *test-based* and *topic-based* materials, including e-learning, are used to expose students to the real-life use of English. A range of learner-centred activities to encourage communication and interaction are utilised throughout the course. Reading, writing, speaking, listening, grammar and pronunciation are integrated within the materials. Model texts are provided for students to deconstruct. Via guided activities, students produce their own successful spoken and written texts in terms of context, purpose, structure, meaning via appropriate language choices.

Course Code	: CLE1087	Course Title	: Bridge English 1A
Department	: CLE	Credit Points	: 3
Year-Semester(s)	: 1-1	Pre-requisite	: -----

Synopsis : Bridge is designed for intermediate learners of English. The course aims to provide integrative language learning and skills training (including English for Academic Purposes) to increase communicative competence, confidence, accuracy, and language capacity as well as critical thinking. A *text-based/topic-based* approach is used in which real-world authentic text-types and materials across a range of professional, academic and every day settings are analysed, developed and constructed. Real-world models provide the basis. A range of learner-centred activities to encourage these outcomes are utilized throughout the course to achieve the goals. Reading, writing, speaking, listening, grammar and pronunciation are integrated within the text-based/topic-based activities.

Course Code	: CLE1108	Course Title	: Foundation English 1B
Department	: CLE	Credit Points	: 3
Year-Semester(s)	: 1-2	Pre-requisite	: -----
