

## **Evaluation on the Oxfam Hong Kong's Interactive Education Centre**

This project evaluates the Interactive Education Centre (IEC) of Oxfam Hong Kong. Main objectives include: (1) to solicit views from OHK staff members, participant teachers and students on the outputs and impacts of the IEC's one-off programmes, (2) to examine the effectiveness of the centre-based operation mode and, (3) to provide information and a basis for further development of the IEC and the resources allocation, and the extent to which the IEC achieves the goals of the "Development Education" of OHK.

Project Duration: 11 Sep 2006–10 July 2007, Grant: HK\$ 144,000
