

**Programmer I (Ref: 2400683)**  
**Library (System Services Section)**

The appointee will be assigned to System Services Section of the University Library. He/she will be responsible for supporting and enhancing web based programs and applications, maintenance of self-served systems such as Self Pick-up Stations, as well as scripting and coding of other library systems. The appointment will initially be a period of two years.

Applicants should have an Associate Degree or a Higher Diploma in Information Science/Technology or related fields with at least two years of working experience in web application development. Applicants should be self-motivated, willing to learn appropriate technologies and able to work with Library staff of various levels. Work with a team of system professionals. Opportunity to gain experience in full-stack development as well as latest VR/gaming/meta applications. Fresh university graduates with good potential may also be considered.

---

Salary will be commensurate with qualifications and experience.

Initial appointment will be made on a fixed-term contract. Fringe benefits include the University's Voluntary Contributions to MPF Scheme or a contract-end lump sum payment (totaling up to 10% of the basic salary), leave, medical and dental benefits.

The University only accepts and considers applications submitted online for this post. Applicants should complete the [online application form](#) and upload a full CV on or before **12 July 2024**. Applications which are incomplete or without the required documents may not be considered. Personal data provided by applicants will be used for recruitment and other employment-related purposes. For details of the Personal Information Collection Statement, please refer to <http://www.eduhk.hk/jobsopp/index.php?glang=en>.

All applications will be treated in strict confidence. Only those who are shortlisted will be contacted. The University reserves the right not to fill the position(s) advertised.

Further information about the University is available at <http://www.eduhk.hk>.
