Research Assistant I (Ref: 2400780)
Department of Curriculum and Instruction

Project Title: Building teacher educators' capacity to innovate teaching and assessment through new technologies

[Appointment Period: 12 months]

The Department of Curriculum and Instruction is seeking a qualified and highly dedicated researcher to provide research support to a project related educational assessment. This project aims to promote a healthy and productive assessment culture in the local and international contexts. The appointee will assist in duties such as literature review, data collection and analysis, report and journal drafting, website construction and any other duties as assigned. The initial appointment period will be 12 months. Contract renewal is possible and is subject to mutual agreement.

Applicants should have a Bachelor's Degree in Educational Technology or a related discipline, along with at least one year of post-graduate full-time work experience. Alternatively, candidates with a Master's degree are also eligible to apply. Applicants should be adept at multi-tasking, working under tight deadlines and being able to work both independently and as a team. Additionally, they should possess exceptional written English skills, particularly in academic writing. Having knowledge and experience in website construction and maintenance will be an advantage.

For further enquiries about the post, please contact Dr Wan Zhihong Peter at wanzh@eduhk.hk

Salary will be commensurate with qualifications and experience.

Initial appointment will be made on a fixed-term contract. Fringe benefits include contract-end gratuity, leave, medical and dental benefits.

The University only accepts and considers applications submitted online for this post. Applicants should complete the [online application form](#) and upload a full CV. Review of applications will start from **7 August 2024**, and will continue until the post is filled. Applications which are incomplete or without the required documents may not be considered. Personal data provided by applicants will be used for recruitment and other employment-related purposes.
