

Senior Research Assistant (Ref: 2400925)
Department of Curriculum and Instruction

Project Title: Technology-Enabled Futures of Education: Harnessing Emerging Technologies to Enhance Education Equity, Quality and Efficiency

[Appointment Period: 4 - 6 months]

The appointee will report to the project leader(s) and/or the direct supervisor. He/she will primarily be responsible for assisting the project implementation, conducting literature review, technology kit development and testing, data collection and analysis, and supporting the writing of research reports. He/she is also expected to provide administrative support to the project team. There will be opportunities for manuscript writing and publications in international and Chinese journals.

Applicants should possess a recognized Master's degree in education, information technologies in education, engineering, global studies in education or related disciplines, with a few years of post-qualification full-time working experience, preferably gained in tertiary institutions. They should have excellent oral and written communication skills in English and Chinese, strong literacy in computer applications, as well as time and task management skills. Applicants should also be good team players, attentive to details, highly self-motivated, and must be able to finish assigned tasks independently. Shortlisted candidates will be invited to sit for a written test.

Salary will be commensurate with qualifications and experience. Fringe benefits include leave and outpatient medical benefits.

The University only accepts and considers applications submitted online for this post. Applicants should complete the [online application form](#) and upload a full CV on or before **3 September 2024**. Applications which are incomplete or without the required documents may not be considered. Personal data provided by applicants will be used for recruitment and other employment-related purposes. For details of the Personal Information Collection Statement, please refer to <http://www.eduhk.hk/jobsopp/index.php?glang=en>.

All applications will be treated in strict confidence. Only those who are shortlisted will be contacted. The University reserves the right not to fill the position(s) advertised.
