

Research Assistant I (Ref: 2401021)
Department of Curriculum and Instruction

Project Title: The Education University of Hong Kong (EdUHK) and Quanzhou Normal University (QNU) Collaboration Project

[Appointment Period: 6 months]

The appointee will provide research support for the project "Engaging digital making through satisfying psychological needs: a pilot study into collaboration modes and learning outcomes". Key responsibilities include conducting empirical studies on AI-assisted digital making and creative competencies development, designing classroom activities, collecting and analysing relevant information/data for the project from departments of the Faculty, preparing research reports and deliverables, providing administrative and logistic support for the project.

Applicants should have (i) a Bachelor's degree or above, preferably in the area of education technology or related areas; (ii) Good interpersonal and communication skills; (iii) Proficiency in both written and spoken English and Chinese. The appointee should be self-motivated, able to work under pressure with multiple deadlines, and, after normal office hours, able to work independently and to work as a team member. Applicants with academic background and research experience in the fields of creativity and entrepreneurship and /or working experience in project management would be preferable.

Salary will be commensurate with qualifications and experience. Fringe benefits include leave and outpatient medical benefits.

The University only accepts and considers applications submitted online for this post. Applicants should complete the [online application form](#) and upload a full CV on or before **30 September 2024**. Applications which are incomplete or without the required documents may not be considered. Personal data provided by applicants will be used for recruitment and other employment-related purposes. For details of the Personal Information Collection Statement, please refer to <http://www.eduhk.hk/jobsopp/index.php?glang=en>.

All applications will be treated in strict confidence. Only those who are shortlisted will be contacted. The University reserves the right not to fill the position(s) advertised.

Further information about the University is available at <http://www.eduhk.hk>.

EdUHK is an Equal Opportunities Employer.
