

**Research Assistant II (Part-time) (Two Posts) (Ref: 2401255)
Department of Special Education and Counselling**

Project Title: A longitudinal investigation of the relationship between persistent overweight and depression risk in adolescence: do ADHD symptoms matter?

[Appointment Period: 7 months]

The appointee will be involved in a research project focused on the physical and mental well-being of children and adolescents. This project is being conducted in collaboration with researchers from the University of Hong Kong. Responsibilities will include participant recruitment, data collection, literature review, development of promotional materials, academic publications, reports, and other tasks as delegated. The appointment will commence as soon as possible, with the potential for extension to a full-time role contingent upon satisfactory performance and the availability of funding.

Applicants should have a Bachelor's degree in social sciences, public health, food and nutritional sciences, or a related field, or be a final-year undergraduate student in one of these disciplines. The appointee should have a good command of written English and spoken Cantonese, proficiency in Microsoft Office applications. Good organization and communication skills are essential. Knowledge of statistics would be advantageous. He/she should be attentive to details, responsible, and able to work well both independently and in groups.

For further enquiries about the post, please contact Dr Rosa Wong at rswong@eduhk.hk.

Salary will be commensurate with qualifications and experience.

The University only accepts and considers applications submitted online for this post. Applicants should complete the [online application form](#) and upload a full CV on or before **3 December 2024**. Applications which are incomplete or without the required documents may not be considered. Personal data provided by applicants will be used for recruitment and other employment-related purposes. For details of the Personal Information Collection Statement, please refer to <http://www.eduhk.hk/jobsopp/index.php?glang=en>.

All applications will be treated in strict confidence. Only those who are shortlisted will be contacted. The University reserves the right not to fill the position(s) advertised.

Further information about the University is available at <http://www.eduhk.hk>.
