

Research Assistant I (Ref: 2500202)
Department of Cultural and Creative Arts

[Appointment Period: around 15 months]

The appointee will be responsible for providing research support for a Chinese Martial Art Project. They will work under the supervision of the Principal Investigator and be responsible for developing research framework and conducting research for the project. They will also participate in the design and implementation of software solutions for multimedia and interactive experiences, coordinate the production of interactive performance, event and exhibition management, and other duties assigned by Principal Investigator. Working off-campus may be required.

Applicants should have a recognized University degree, preferably in Media Art, Technology, Software Programming, Film or related discipline, with 1-2 years working experience, ideally in a tertiary education. They should be proficient in Motion Strong skills in 3D modeling and design, rendering and animation for various applications. Experience in relevant software tools, platforms and immersive technologies is desirable. Applicants are expected to collaborate with cross-functional teams to develop and implement software solutions for 3D design and rendering projects. Applicants should also be proficient in both written and spoken English and Chinese (including Cantonese and Putonghua), attentive to details, self-motivated and have good communication and organisation skills. They should be adept at a multi-tasking work environment, able to work under tight deadlines, and demonstrate the ability to work both independently and as a team.

Salary will be commensurate with qualifications and experience.

Initial appointment will be made on a fixed-term contract. Fringe benefits include contract-end gratuity, leave, medical and dental benefits.

The University only accepts and considers applications submitted online for this post. Applicants should complete the [online application form](#) and upload a full CV on or before **24 February 2025**. Applications which are incomplete or without the required documents may not be considered. Personal data provided by applicants will be used for recruitment and other employment-related purposes. For details of the Personal Information Collection Statement, please refer to <http://www.eduhk.hk/jobsopp/index.php?glang=en>.

All applications will be treated in strict confidence. Only those who are shortlisted will be contacted. The University reserves the right not to fill the position(s) advertised. Since the incumbent's work would involve contacts with persons aged under 18 and/or mentally incapacitated persons, prospective employee(s) will be required to undergo Sexual Conviction Record Check operated by the Hong Kong Police Force.
