

Research Assistant I (Ref: 2500209)
Department of Chinese Language Studies

Project Title: Exploring Relationships between Writing Processes and Products of L1 Chinese Learners: A Longitudinal Study

[Appointment Period: 18 months]

The appointee will be responsible for supporting the captioned research project. S/He will coordinate with schools participating in the project, oversee the research progress, develop educational materials and research instruments, and collect and analyse data. Proficiency in Cantonese is required, along with the ability to perform academic writing in English. This role demands a high level of responsibility.

Applicants should have at least a Bachelor's degree, preferably a Master's degree, in language education, translation, or psychology. A strong knowledge of language learning theories and quantitative analysis is an advantage. Priority will be given to candidates with experience working with and teaching at secondary schools in Hong Kong. The appointment is expected to commence as soon as possible.

For further enquiries about the post, please contact Dr. Sophia Lam at ssmlam@eduhk.hk.

Salary will be commensurate with qualifications and experience.

Initial appointment will be made on a fixed-term contract. Fringe benefits include leave, medical and dental benefits.

The University only accepts and considers applications submitted online for this post. Applicants should complete the [online application form](#) and upload a full CV on or before **4 March 2025**.
