

Post-doctoral Fellow (Ref: 2500287)
Department of Mathematics and Information Technology

[Appointment Period: around 6 months]

The appointee will be responsible for supporting research projects. He/she will assist in conducting simulation and empirical studies for analyzing large unstructured data such as images and text data, and performing other duties as assigned by the project leader(s). The appointment will be for a period of around 6 months.

Applicants should have a Doctoral Degree in Artificial Intelligence or Educational Technology or related disciplines, with a good publication track record and solid experience in conducting AI in education research. They should be a good team player, attentive to details, highly self-motivated and able to work independently under pressure. They should also demonstrate excellent verbal and written communication skills in English and Chinese. Immediate availability is preferred.

For further enquiries about the post, please contact Prof. Philip YU at plhyu@eduhk.hk.

Salary will be commensurate with qualifications and experience. Fringe benefits include leave and outpatient medical benefits.

The University only accepts and considers applications submitted online for this post. Applicants should complete the [online application form](#) and upload a full CV on or before **17 March 2025**. Applications which are incomplete or without the required documents may not be considered. Personal data provided by applicants will be used for recruitment and other employment-related purposes. For details of the Personal Information Collection Statement, please refer to <http://www.eduhk.hk/jobsoff/index.php?glang=en>.

All applications will be treated in strict confidence. Only those who are shortlisted will be contacted. The University reserves the right not to fill the position(s) advertised. Since the incumbent's work would involve contacts with persons aged under 18 and/or mentally incapacitated persons, prospective employee(s) will be required to undergo Sexual Conviction Record Check operated by the Hong Kong Police Force.
