

Research Assistant I (Ref: 2500286)
Department of Curriculum and Instruction

Project Title: Why beginning teachers leave the teaching field: An appraisal theory lens

[Appointment Period: 12 months]

The Department of Curriculum and Instruction is seeking a Research Assistant (RAI) who will support research projects on teacher's career development, service learning, and youth development.

Applicants should have a Bachelor's degree plus at least one year' post-qualification full-time working experience, preferably in education or a relevant discipline. Applicants should have knowledge about qualitative research methods and have good analytical skills and academic writing skills. Knowledge of teacher education and service learning would be an advantage.

Appointment will initially be made on a contract basis for 12 months commencing as soon as possible, renewable subject to funding, performance and mutual agreement.

For further enquiries about the post, please contact Dr Xu Hui Xuan at hxxu@eduhk.hk.

Salary will be commensurate with qualifications and experience.

Initial appointment will be made on a fixed-term contract. Fringe benefits include contract-end gratuity, leave, medical and dental benefits.

The University only accepts and considers applications submitted online for this post. Applicants should complete the [online application form](#) and upload a full CV on or before **31 March 2025**. Applications which are incomplete or without the required documents may not be considered. Personal data provided by applicants will be used for recruitment and other employment-related purposes. For details of the Personal Information Collection Statement, please refer to <http://www.eduhk.hk/jobsopp/index.php?glang=en>.

All applications will be treated in strict confidence. Only those who are shortlisted will be contacted. The University reserves the right not to fill the position(s) advertised.

Further information about the University is available at <http://www.eduhk.hk>.
