

Research Assistant I (Ref: 2500271)
Department of Social Sciences and Policy Studies

Project Title: How different levels of accessibility affect mobility patterns and well-being? A case study in Hong Kong

[Appointment Period: 5-6 months]

The appointee will be responsible for developing and implementing the captioned project. Duties include designing the questionnaire survey, organising data collection, analysing GIS and other quantitative data, and fulfilling other research-related duties as assigned. The appointment will be for 5 - 6 months, with the possibility of renewal subject to funding availability and satisfactory performance.

Applicants should have a Bachelor's degree or higher in Geography, Urban Studies, or a related field of social sciences. They should also have a good command of GIS software (e.g., ArcGIS Pro). Preference will be given to candidates with a strong knowledge of transport geography and experience in quantitative data analysis.

For further enquiries about the post, please contact Dr. Huang Zhiran at huangzr@eduhk.hk

Salary will be commensurate with qualifications and experience. Fringe benefits include leave and outpatient medical benefits.

The University only accepts and considers applications submitted online for this post. Applicants should complete the [online application form](#) and upload a full CV. **Review of applications will start from 3 April 2025 and will continue until the post is filled.** Applications which are incomplete or without the required documents may not be considered. Personal data provided by applicants will be used for recruitment and other employment-related purposes. For details of the Personal Information Collection Statement, please refer to <http://www.eduhk.hk/jobsopp/index.php?glang=en>.

All applications will be treated in strict confidence. Only those who are shortlisted will be contacted. The University reserves the right not to fill the position(s) advertised.

Further information about the University is available at <http://www.eduhk.hk>.
