Part II

The University's Graduate Attributes and seven Generic Intended Learning Outcomes (GILOs) represent the attributes of ideal EdUHK graduates and their expected qualities respectively. Learning outcomes work coherently at the University (GILOs), programme (Programme Intended Learning Outcomes) and course (Course Intended Learning Outcomes) levels to achieve the goal of nurturing students with important graduate attributes.

In gist, the Graduate Attributes for Undergraduate, Taught Postgraduate and Research Postgraduate students consist of the following three domains (i.e. in short "PEER & I"):

- **Professional Excellence;**
- **Ethical Responsibility; &**
- **Innovation.**

The descriptors under these three domains are different for the three groups of students in order to reflect the respective level of Graduate Attributes.

The seven GILOs are:

1. Problem Solving Skills
2. Critical Thinking Skills
3. Creative Thinking Skills
- 4a. Oral Communication Skills
- 4b. Written Communication Skills
5. Social Interaction Skills
6. Ethical Decision Making
7. Global Perspectives

1. Course Synopsis

This course enables students to explore drawing as an evolving mode of contemporary art practice and expression within various cultural contexts. The key concepts of drawing and its development will be examined, including a wide range of drawing techniques,

materials, functions and approaches. Students will realize the dynamics of drawing as an art form and as a way of communication that goes beyond studio practice, and is capable of being applied to the community-based arts and cultural activities and visual arts education.

2. Course Intended Learning Outcomes (CILOs)

Upon completion of this course, students will be able to:

CILO₁ understand and appreciate the historical and cultural development of drawing as a medium of objective visualization and contemporary art practices and expression.

CILO₂ demonstrate knowledge of the key concepts of drawing, its various forms, applications and functions in art and design.

CILO₃ establish a foundation in drawing with technical competence in a variety of drawing techniques, approaches, medium explorations.

CILO₄ apply visual and aesthetic literacy in transforming visual experiences into drawings and presented in critiques and portfolio.

CILO₅ apply and transfer learned knowledge and skills of drawing in visual art education.
