International Postgraduate Roundtable – A Dialogue between EdUHK Doctoral Alumni and Senior Professors

Sustainable Researchers in an Interconnected (Academic) World

This roundtable event will bring together a distinguished panel of EdUHK doctoral alumni who have gone on to become esteemed leaders and administrators in various higher education institutions around the world. These exceptional graduates will first share their experiences and insights on how their time at EdUHK has contributed to their impressive career achievements.

The panel will feature three distinguished EdUHK doctoral alumni:
- Dr. ARENAS Joel Calixtro, Dean, College of Education at Mindanao State University - Maguindanao, The Philippines;
- Dr. Xiong Xibei, Associate Dean of the Faculty of Education at Guangxi Normal University;
- Dr. Li Yuhan, Full Professor at Chongqing Technology and Business University.

These alumni will return to their alma mater, EdUHK, to engage in this dialogue.

They will be joined by Professor Chetwyn Chan, Vice President of EdUHK, who will chair the event, and Professor Michelle Gu, Dean of the Graduate School at EdUHK. Additionally, esteemed guests, Professor Suresh Canagarajah from Pennsylvania State University and Professor Anna M. Kindler, Senior Advisor for International Affairs at the Faculty of Education, University of British Columbia, will participate in the dialogue.
