4. The dates listed above are based on the dates/periods by which the AB would approve the recommended graduation list for respective programmes submitted by the Faculty Board/Board of Graduate Studies according to the Grade Release Schedule announced on the Registry website.
5. If final-year students would like to apply for their Transcript of Studies, they should note that their final award, graduation status and the respective Graduation Date will only be shown on the transcript **after AB’s approval** of their award is sought.
