

## Tuition fees for academic year 2024/25

### **Important Notes:**

*The Government in June 2024 has decided to adjust the tuition fee levels for UGC-funded programmes by a modest extent of 5.5% per annum on average from the 2025/26 to 2027/28 academic years. The tuition fee levels are only applicable to eligible students for UGC-funded student places. All eligible students enrolling in any UGC-funded programmes in a particular academic year shall be subject to the tuition fee at the prevailing rate of the academic year concerned, rather than being locked at the rate of the academic year of his/her admission. For students who may encounter financial difficulties, please approach the Student Affairs Office for possible financial assistance scheme/service.
