IX. Attendance Requirements for Student-residents

To promote student-residents' active participation in HLE activities, activity participation will become a mandatory part as the HLE fulfillment:

- Each student-resident is required to attend at least ONE activity from each theme under Wardens' Series, of which one should be in the form of high table dinner and any ONE activity under Wellness Series in each semester (Semester 1: September-December; Semester 2: January-March).

IX. Attendance Requirements for Student-residents

- For student-residents who fail to attend any one category of the activities in a semester, 2 points will be deducted for each category per semester and it will be reflected on the hall application for the next residential year.
- For student-residents who have proven genuine difficulties in fulfilling the requirements, such as illness, FE, etc., a make-up session can be offered. The concerned student-resident may only be enrolled in one category to prevent abuse of the discretion.
