

## Arts for All 教·里·藝術 Information sheet for Part 2

### Introduction

The “Arts for All” Project aims at empowering you to promote diversity and inclusion as well as developing teaching-related skills, including leadership, activity design, project management, creative thinking and facilitation. Join us to excel at this community-engaged Project where primary school students from various districts will be enjoying art activities that you design!

The Project is divided into 2 parts.

Part 1 Arts and Crafts Workshops (to be conducted in Cantonese): disabled artists and assistants will be teaching workshops on Western painting, Chinese painting, fabric art, paper crafting and printmaking. Appreciating disability inclusion or learning a new art skill – why not both?

Part 2 Student-Initiated Projects (SIP) for Primary Schools: you are now in charge! Subsidised by us and with the skills learnt in Part 1, local and non-local students will team up to design and implement art activities to enlighten schoolchildren from different backgrounds and ethnicities to grow with an inclusive mindset from an early age.

**Application Deadline: 20 Jan 2022 (Thu) 12:00nn (First-come, first-served)**

\*Your participation will count towards the Experiential Learning and Achievements Transcript (ELAT) under Global and Cultural Enrichment.
